2. The Govt. order quoted by

the Comptroller refers to Local Notices such as those for Sales of Lands for arrears of Revenue and for Tenders for articles required by Govt. and does not, it is submitted, apply to the lists of members of Valuation and Electoral Boards.

May the Compiler be informed that the Proceedings quoted above are not intended to apply to the lists of members of Local Boards which should be published in 3 successive issues as in the case of similar lists of members already published in 3 successive issues.

Submitted for orders, Letter orng 17/4/04 draft.

Though some of the lists were published in 3 successive issues of the Gazette, it does not seem necessary to continue the practice &

× Note. The Rules do not require the publications in 3 issues.

the Committee may be informed that such lists need not be published more than once in the Gazette.

A draft docket is accordingly submitted for approval on these orders.

3. In this connection, it is submitted that copies of the Annual Boards Proceedings are now sent to Government under section 16 of the Local Boards Regulations and published in part II of the Gazette both in English and Kannada but the Pro of the Taluk Boards are neither submitted to Government nor published in the Gazette.

4. Since it is desirable that the system and nature of work done by the several Local Boards under the new Regulations & Rules should be understood by the public, it is a point for consideration why a uniform system by which

this could easily be done should not be adopted as in South Canara (Please see the Supplement to the South Canara Gazette pages) with the modification that instead of publishing the Proceedings in a Supplement, a part of the Gazette may be specially collected for all the Rules and Notifications issued by the Government in the Local Boards & Municipal Departments and also for all the Proceedings conducted by the several District & Taluk Boards & District Head Quarters Municipalities (including the cities of Bangalore & Mysore). Such a part may be placed at the disposal of the public at a small cost of not more than one Rupee per annum, to enable such of the Members as would take interest in local Self Government to subscribe for the same.

Submitted for orders.

Please return the draft reply to be compiled and then re-submit the file for the consideration of the Hon'ble Minister

The proposal made by the Asst Secretary (Mr. H Ramaya) in pages 3 & 4 of this Note is subd for orders. The proposal may perhaps be deferred for the present.

Subd to the Dewan through the C.S. GH 20/5/04

Appointments need not of course be notified in more than one issue of the Gazette - In the order issued in this record 9 issue -

We have no District Gazettes as in Madras - I dont quite understand Mr Ramaya's proposal Let him see me in connection with it after my return to Bangalore - C. 22/5/04 -

Read from Dept GH 24/5/04

Submitted 24/5/04 25/5

I think we have already decided that the issue of District Gazettes is unnecessary to the town in Mysore

The order quoted by the Com. has no application to cases of the kind under consideration - Publication of names in a Supplement of the State Gazette seems however sufficient It seems to me unnecessary to publish the proceedings of Taluk Boards in the Provincial Gazette C 22/5/04
